Other Hardware & Connection

Modem Type	Best For	Price	Item	Price Each
<input type="checkbox"/> Entry Level Modem/Router (Ethernet)	1 Computer	\$79	<input type="checkbox"/> _____ Additional ADSL In-Line Splitters required	\$19
<input type="checkbox"/> Enhanced Modem/Router (Ethernet/USB)	1 Computer	\$99	 Please Note: One (1) ADSL In-Line Splitter is required per phone/fax device operating simultaneously on the same phone service as your broadband ADSL connection. A Central Filter may be required if you have four or more phone/fax devices (eg. four phone hand-sets) operating on the same phone service, in order to maintain your line quality.	
<input type="checkbox"/> 4-Port Modem/Router (Ethernet)	Up to 4 Computers	\$119		
<input type="checkbox"/> Wireless 4-Port Modem/Router (Ethernet/Wireless)	Wireless Network	\$199	<input type="checkbox"/> Central Filter - A registered telecommunications installer is required to hard-wire your Central Filter.	\$37
<input type="checkbox"/> Own Modem		N/A	<input checked="" type="checkbox"/> Connection Fee	\$99

Additional Questions & Information

-  If you have a monitored alarm system, it is recommended that you contact your security company to find out if a Central Filter should be installed by a registered telecommunications installer to allow your ADSL and alarm to function correctly.
-  If you have a phone system (for example a PABX or a key phone system) it is recommended you contact Westnet to find out whether your ADSL service will function correctly.

How did you hear about Westnet (eg radio, friend, existing member, web)?

Would you like to be notified by fax when Westnet receives your application ?

Yes No If yes, please make sure you have supplied your fax number under Account Details.

How would you prefer to be notified about the progress of your application?

SMS Notification to: _____ Email Notification to: _____ Both

Additional Services

Declaration

I/We understand:

- the ADSL plan and hardware option I/we have selected;
- the fees and information specified in the "Important Information" section on the following page.
- that prices quoted are for self installation with telephone support;
- that a minimum of 5 working days is required for service connection to be completed (unless otherwise notified) and that connection time also depends on port availability at the exchange;
- that each ADSL account is only for use at the premises as indicated on this application and that each account is not transportable unless moving premises;
- that if I/we am/are transferring from dialup to ADSL and I/we am/are not the current account holder, that a Westnet Change of Ownership form must be completed and returned with this application;
- that all services provided by Westnet must be paid for in advance except by written agreement with Westnet management.
- If an account is not in credit the account may be disconnected at the discretion of Westnet;
- that all accounts must be paid by credit card or direct debit except where there is prior written agreement with Westnet Management;
- that Westnet will always aim to provide the best and most reliable service possible, but cannot be responsible for any loss of service, regardless of the party at fault;
- that the account will not be used for any illegal or anti-social purposes, including obscene, abusive, fraudulent, threatening or otherwise unacceptable messages or usage;
- in the event that my/our account remains unpaid for a period of 60 days or more, Westnet reserves the right to disconnect my/our service. Fees which result from the reactivation of the service will be my/our responsibility.
- I/we have read and understood Westnet's General Terms & Conditions and Westnet's ADSL Terms & Conditions (found on the Westnet Web Site or provided to me/us by Westnet at my/our request) and agree to abide by them. I/we also verify being over the age of 18.

Important Information

- ADSL Phone Line**
The telephone line must be a direct line. Incompatible line services include Analogue NT1, OnRamp (2, 10, 20, 30), Call Diversion Number Only, Customer Loop Metering, Easy Call Multiple Number, Homezip, InContact, MessageBank Virtual, OnRamp (ISDN, Ported Number, Satellite Services and Siltline. The ADSL line number must not have a current ADSL service attached to it unless transferring from another ISP.
- Dialup Access Fee**
If the ADSL account is used to dial up to the internet using a normal phone line and modem, while there are no ADSL outages declared, a \$1.10 per hour fee will apply.
- Change of Plan Fee**
If the ADSL plan is changed to a plan of a different speed, a \$19.95 change of plan fee will be applied. This fee applies whether the speed is being upgraded OR downgraded.
- Reconnection Fee**
If the ADSL service is disconnected there will be a reconnection fee of \$99 to reactivate the service. This fee applies whether the disconnection was requested by the customer or at the discretion of WestNet. This also applies if the service is being relocated to another telephone line either within the same premises or at a different address. If the service is being disconnected and reconnected in the first 6 months, a cancellation fee may apply.
- Cancellation Fee – Monthly Contract Customers**
If the service is cancelled within the first 6 months of connection then a \$55 early cancellation fee will apply. This also applies to services transferred to Westnet and services being relocated (see below for further details).

Please complete this application and fax to Westnet on 1300 554 160. Call Westnet Sales on 13 19 60 for assistance
